

After-school is key to kids' success!

In Michigan communities today, 449,000 children are home alone after school, with almost 70% of all Michigan school-age children living in families where the sole parent or both parents work.

After-school programs keep kids safe, inspire kids to learn and grow, and help Michigan families. Please support Michigan's children and families by supporting after-school programs and policies like:

K-12 Budget: Support \$15 million for programs through Sec. 32k or Sec. 35. Support Sec. 39(n)(iii) - the Michigan After-school Partnership.
